Guidelines for Introducing Enterprise Rights Management

Version 1.0, 12.04.2011

Status: Adopted

© ProSTEP iViP Association

Abstract

These guidelines for introducing enterprise rights management (ERM) follow ProSTEP iViP Recommendation PSI 7, Version 1.0.

The main objectives of the guidelines are to

- help companies make strategic decisions, e.g. make or buy decisions
- help companies introduce ERM
- help interested persons build and configure an ERM environment

This document is intended to be a supplementary document to the Annexes for the PSI 7 Recommendation.
